
Seminar 2

Write a report that includes:

- I. Title (or name of the business)
- II. Names of the members, Group number
- III. According to **BSC (Balanced Scorecard)** as a management system, complete your analysis by creating a table that helps an enterprise clarify and implement its vision and strategy (see the examples below). Moreover, for each of the four perspectives of BSC (Financial, Customer, Internal Processes, and Learning & Growth), a three-layered structure should be proposed:
 - Mission (e.g., to become the customers' preferred supplier)
 - Objectives (e.g., to provide the customers with new products)
 - Measures (e.g., percentage of turnover generated by new products)

	<i>Mission</i>	<i>Objectives</i>	<i>Measures</i>
<i>Financial</i>			
<i>Customer</i>			
<i>Internal Processes</i>			
<i>Learning & Growth</i>
