

Seminar 6

Write a report based on the ArchiMate language for your case study that includes:

- I. Title (name of a business)
- II. Names of the members, Group name
- III. Try to create a business layer model (that is mandatory), an application layer model, and a technology layer model (that are optional with a bonus point) for your business as the below examples.

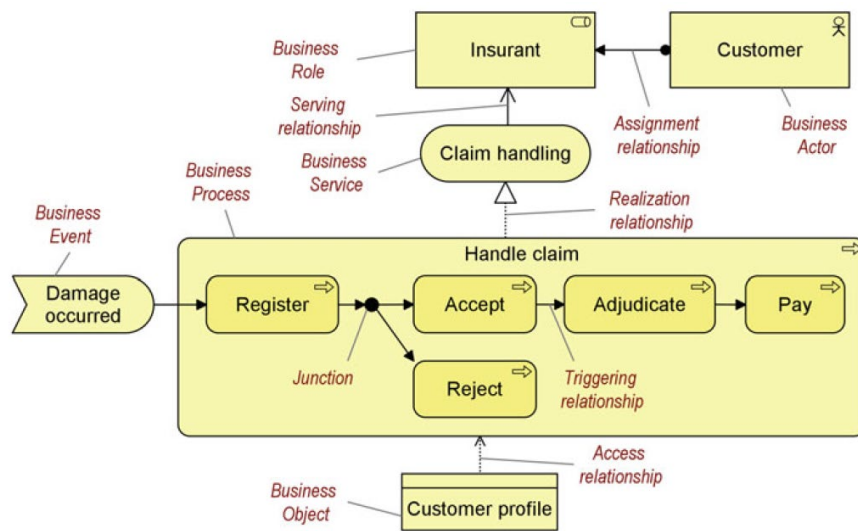

Fig. 5.9 Example of a business layer model

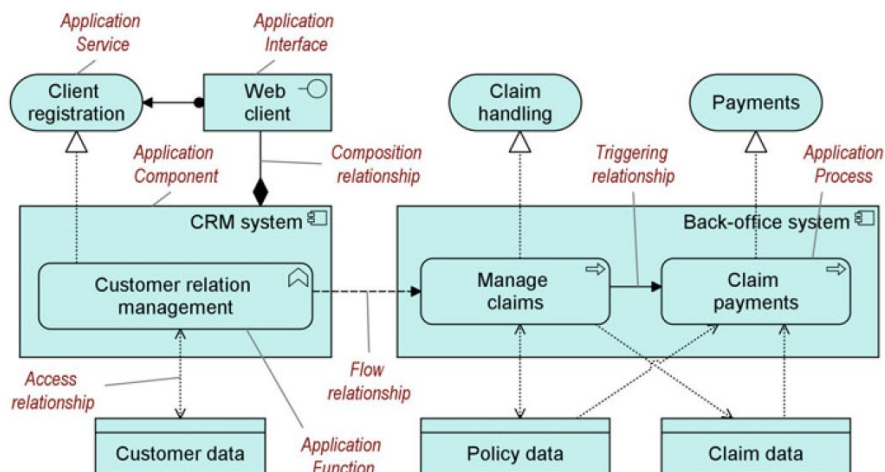

Fig. 5.15 Example of an application layer model

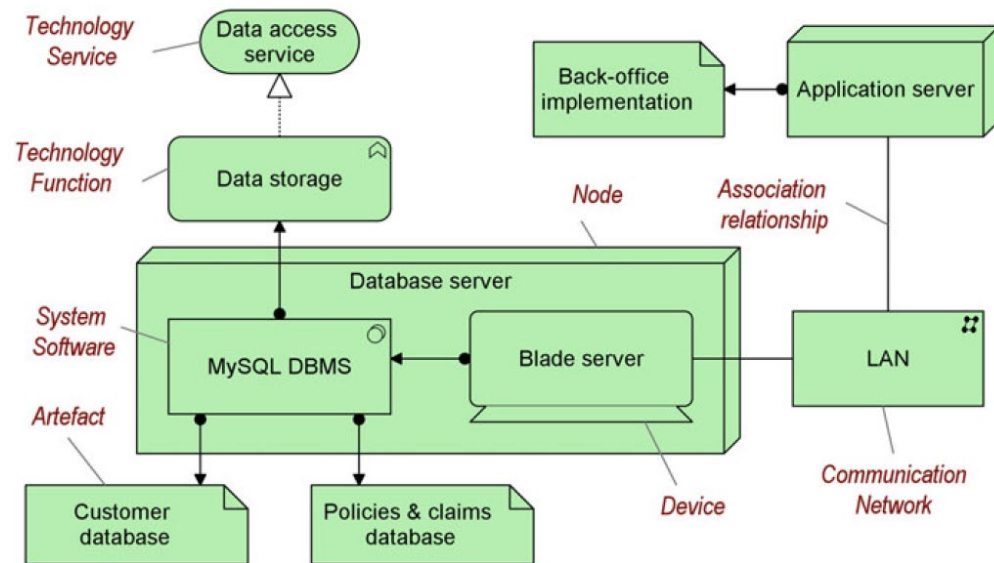

Fig. 5.17 Example of a technology layer model
